

Dear Interested Parties: In the coming days, Enforcement and Compliance (E&C) will include revised language in the “Disclosure and Public Comment” section of its Notices of Preliminary Determination and Preliminary Results published in the *Federal Register*. Specifically, in its upcoming preliminary notices, E&C will request that interested parties provide at the beginning of their case and rebuttal briefs a public, executive summary for each issue raised in their briefs. Further, E&C will request that interested parties limit their executive summary of each issue to no more than 450 words per issue, not including citations. E&C intends to use the executive summaries as the basis of the comment summaries included in the issues and decision memoranda that accompany E&C’s final decisions.

Regards,

Enforcement and Compliance
