SUBJECT: Decision Memorandum for the Preliminary Results of the
Antidumping Duty Administrative Review: Wooden Bedroom
Furniture from the People's Republic of China

SUMMARY

In response to requests from interested parties, the Department of Commerce (Commerce) is conducting an administrative review (AR) of the antidumping duty order on wooden bedroom furniture (WBF) from the People's Republic of China (China) for the period of review (POR) January 1, 2017, through December 31, 2017. The AR covers 13 exporters of subject merchandise, including one mandatory respondent, Decca Furniture Ltd. (Decca). Commerce preliminarily finds that eight companies, including Decca, have not established their entitlement to separate rate status, and therefore, they have been treated as part of the China-wide entity. Commerce also preliminarily determines that five companies made no shipments of subject merchandise during the POR.

If these preliminary results are adopted in our final results of review, we will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of subject merchandise during the POR. Interested parties are invited to comment on these preliminary results. Unless extended, we intend to issue final results no later than 120 days from the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act).

Background

On January 4, 2005, Commerce published in the *Federal Register* the antidumping duty order on wooden bedroom furniture from China.¹ On January 2, 2018, Commerce notified interested parties of their opportunity to request an AR of orders, findings, or suspended investigations with anniversaries in January 2018, including the antidumping duty order on wooden bedroom furniture from China.² In January 2018, the American Furniture Manufacturers Committee for Legal Trade (AMFC) and Vaughan-Bassett Furniture Company, Inc. (collectively, the petitioners), and Kimball International, Inc., Kimball Furniture Group, Inc. and Kimball Hospitality Inc. (collectively, Kimball), domestic interested parties, as well as certain foreign exporters, requested that Commerce conduct an administrative review of certain exporters covering the period January 1, 2017, through December 31, 2017.³ In total, Commerce received review requests covering 73 companies or company groupings. On March 16, 2018, Commerce published a notice initiating an antidumping duty AR of wooden bedroom furniture from the China covering 73 companies or company groupings for the period January 1, 2017 through December 31, 2017.⁴

In June 2018, the petitioners, U.S. importers and China exporters withdrew numerous review requests in a timely manner, and Kimball withdrew all of its review requests.⁵ On September 10, 2018, Commerce published a notice rescinding the review with respect to 60 companies for

which all review requests had been withdrawn.⁶ On September 25, 2018, Commerce released “no shipment” documents and requested comments from interested parties.⁷ On October 2, 2018, Shenyang Shining Dongxing Furniture Co., Ltd. (Shenyang Shining) commented on the CBP Documentation.⁸ On October 25, 2018, the petitioners commented on the no shipment claims made by Restonic (Dongguan) Furniture Ltd., Restonic Far East (Samoa) Ltd. (collectively, Restonic) in their pre-preliminary results comments.⁹ As noted below, we find that Shenyang Shining has made no shipments of subject merchandise during the POR, while Restonic has made shipments of subject merchandise during the POR.

On June 20, 2018, Commerce issued its antidumping duty questionnaire to Decca, the only company under review that filed a separate rate application.¹⁰ Decca did not respond to our questionnaire.

Scope of the Order

The product covered by the order is wooden bedroom furniture. Wooden bedroom furniture is generally, but not exclusively, designed, manufactured, and offered for sale in coordinated groups, or bedrooms, in which all of the individual pieces are of approximately the same style and approximately the same material and/or finish. The subject merchandise is made substantially of wood products, including both solid wood and also engineered wood products made from wood particles, fibers, or other wooden materials such as plywood, strand board, particle board, and fiberboard, with or without wood veneers, wood overlays, or laminates, with or without non-wood components or trim such as metal, marble, leather, glass, plastic, or other resins, and whether or not assembled, completed, or finished.

The subject merchandise includes the following items: (1) wooden beds such as loft beds, bunk beds, and other beds; (2) wooden headboards for beds (whether stand-alone or attached to side rails), wooden footboards for beds, wooden side rails for beds, and wooden canopies for beds; (3) night tables, night stands, dressers, commodes, bureaus, mule chests, gentlemen’s chests, bachelor’s chests, lingerie chests, wardrobes, vanities, chessers, chifforobes, and wardrobe-type cabinets; (4) dressers with framed glass mirrors that are attached to, incorporated in, sit on, or

²² Cheval mirrors are any framed, tiltable mirror with a height in excess of 50 inches that is mounted on a floor-standing, hinged base. Additionally, the scope of the order excludes combination cheval mirror/jewelry cabinets. Subject merchandise may also be entered under subheadings 9403.50.9041, 9403.60.8081, 9403.20.0018, or 9403.90.8041. Further, framed glass mirrors may be entered under subheading 7009.92.1000

See Wooden Bedroom Furniture From the People’s Republic of China: Final Changed Circumstances Review and Determination To Revoke Order in Part, 72 FR 948 (January 9, 2007).

²³ Metal furniture parts and unfinished furniture parts made of wood products (as defined above) that are not otherwise specifically named in this scope (*i.e.*, wooden headboards for beds, wooden footboards for beds, wooden side rails for beds, and wooden canopies for beds) and that do not possess the essential character of wooden bedroom furniture in an unassembled, incomplete, or unfinished form.

²⁴ Upholstered beds that are completely upholstered, *i.e.*, containing filling material and completely covered in sewn genuine leather, synthetic leather, or natural or synthetic decorative fabric. To be excluded, the entire bed (headboards, footboards, and side rails) must be upholstered except for bed feet, which may be of wood, metal, or any other material and which are no more than nine inches in height from the floor. *See Wooden Bedroom Furniture from the People’s Republic of China: Final Results of Changed Circumstances Review and Determination to Revoke Order in Part*, 72 FR 7013 (February 14, 2007).

²⁵ To be excluded the toy box must: (1) be wider than it is tall; (2) have dimensions within 16 inches to 27 inches in height, 15 inches to 18 inches in depth, and 21 inches to 30 inches in width; (3) have a hinged lid that encompasses the entire top of the box; (4) not incorporate any doors or drawers; (5) have slow-closing safety hinges; (6) have air vents; (7) have no locking mechanism; and (8) comply with American Society for Testing and Materials (“ASTM”) standard F963-03. Toy boxes are boxes generally designed for the purpose of storing children’s items such as toys, books, and playthings. *See Wooden Bedroom Furniture from the People’s Republic of China: Final Results of Changed Circumstances Review and Determination to Revoke Order in Part*, 74 FR 8506 (February 25, 2009). Further, as determined in the scope ruling memorandum “Wooden Bedroom Furniture from the People’s Republic of China: Scope Ruling on a White Toy Box,” dated July 6, 2009, the dimensional ranges used to identify the toy boxes that are excluded from the wooden bedroom furniture order apply to the box itself rather than the lid.

²⁶ Excluded from the scope are certain enclosable wall bed units, also referred to as murphy beds, which are composed of the following three major sections: (1) a metal wall frame, which attaches to the wall and uses coils or pistons to support the metal mattress frame; (2) a metal frame, which has euro slats for supporting a mattress and two legs that pivot; and (3) wood panels, which attach to the metal wall frame and/or the metal mattress frame to form a cabinet to enclose the wall bed when not in use. Excluded enclosable wall bed units are imported in ready-to-assemble format with all parts necessary for assembly. Enclosable wall bed units do not include a mattress. Wood panels of enclosable wall bed units, when imported separately, remain subject to the order.

²⁷ Excluded from the scope are certain shoe cabinets 31.5-33.5 inches wide by 15.5-17.5 inches deep by 34.5-36.5 inches high. They are designed strictly to store shoes, which are intended to be aligned in rows perpendicular to the wall along which the cabinet is positioned. Shoe cabinets do not have drawers, rods, or other indicia for the storage of clothing other than shoes. The cabinets are not designed, manufactured, or offered for sale in coordinated groups or sets and are made substantially of wood, have two to four shelves inside them, and are covered by doors. The doors often have blinds that are designed to allow air circulation and release of bad odors. The doors themselves may be made of wood or glass. The depth of the shelves does not exceed 14 inches. Each shoe cabinet has doors, adjustable shelving, and ventilation holes.

²⁸ Excluded from the scope are certain bed bases consisting of: 1) a wooden box frame, 2) three wooden cross beams and one perpendicular center wooden support beam, and 3) wooden slats over the beams. These bed bases are constructed without inner springs and/or coils and do not include a headboard, footboard, side rails, or mattress. The bed bases are imported unassembled.

or 7009.92.5000 of the HTSUS as “glass mirrors . . . framed.” The order covers all wooden bedroom furniture meeting the above description, regardless of tariff classification. Although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of this proceeding is dispositive.

DISCUSSION OF THE METHODOLOGY

Non-Market Economy Country Status

Commerce considers China to be a non-market economy (NME) country.²⁹ In accordance with section 771(18)(C)(i) of the Act, any determination that a foreign country is an NME country shall remain in effect until revoked by the administering authority.³⁰ None of the parties to this proceeding contested NME treatment for China. Therefore, for the preliminary results of this review, we treated China as an NME country and applied our current NME methodology in accordance with section 773(c) of the Act.

Separate Rates

In proceedings involving NME countries, Commerce begins with a rebuttable presumption that all companies within the NME country are subject to government control and, thus, should be assigned a single weighted-average dumping margin. It is Commerce’s policy to assign all exporters of merchandise subject to an administrative review involving an NME country this single rate unless an exporter can demonstrate that it is sufficiently independent so as to be entitled to a separate rate. In the *Initiation Notice*, we informed parties that all firms for which the review was initiated that wished to qualify for separate rate status must complete, as appropriate, either a separate rate application or certification.³¹ We also informed parties that exporters and producers who submit a separate-rate status application or certification and subsequently are selected as mandatory respondents, would no longer be eligible for separate rate status unless they responded to all parts of the questionnaire as mandatory respondents.³²

As noted above, although Decca filed a separate rate application and was selected as a mandatory respondent, it did not respond to the antidumping duty questionnaire. Because Decca failed to respond to the antidumping duty questionnaire, the record indicates that Decca ceased participating in this review. As such, it has not established its eligibility for separate rate status and is part of the China-wide entity.

³¹ See *Initiation Notice*, at 11686-11687.

³² *Id.* at 11687.

Moreover, the seven companies listed below, for which this review was initiated, failed to provide separate rate applications or certifications. Hence, they have not established their eligibility for separate rate status and are part of the China-wide entity.

- (1) Dongguan Kingstone Furniture Co., Ltd.; Kingstone Furniture Co., Ltd.
- (2) Kunshan Summit Furniture Co., Ltd.
- (3) Qingdao Liangmu Co., Ltd.
- (4) Restonic
- (5) Rizhao Sanmu Woodworking Co., Ltd.
- (6) Techniwood Industries Ltd.; Ningbo Furniture Industries Ltd.; Ningbo Hengrun Furniture Co., Ltd.
- (7) Zhangjiagang Zheng Yan Decoration Co., Ltd.³³

Because no party requested a review of the China-wide entity, the entity is not under review and the entity's rate is not subject to change.³⁴ Therefore, if our determination is unchanged in the final results of this review, these seven companies' entries will be liquidated at the rate previously established for the China-wide entity.

Preliminary Determination of No Shipments

Among the companies under review, six companies or company groupings reported that they made no shipments of subject merchandise to the United States during the POR. These six companies are: (1) Dongguan Sunrise Furniture Co., Ltd., Taicang Sunrise Wood Industry Co., Ltd., Taicang Fairmount Designs Furniture Co., Ltd., Meizhou Sunrise Furniture Co., Ltd.; (2) Dongguan Sunrise Furniture Co., Taicang Sunrise Wood Industry Co., Ltd., Shanghai Sunrise Furniture Co. Ltd., Fairmont Designs; (3) Eurosa (Kunshan) Co., Ltd., Eurosa Furniture Co., (PTE) Ltd.; (4) Restonic; (5) Shenyang Shining; and (6) Yeh Brothers World Trade Inc.³⁵ To confirm these no shipment claims, Commerce performed a CBP data query to determine whether there were any entries of subject merchandise during the POR from the companies listed above

³³ Although the petitioners argue that Commerce should treat Shanghai Sunrise Furniture Co., Ltd as part of the China-wide entity, we note that the entity to which Shanghai Sunrise Furniture Co., Ltd. belongs submitted a no-shipment certification and Commerce did not find any evidence that this grouping made shipments during the POR. See 'Preliminary Determination of No Shipments' section.

and issued a no-shipment inquiry to CBP requesting that it provide any information that contradicted the no-shipment claims of these companies.³⁶

Based on the certifications of all companies and our analysis of CBP information, we preliminarily determine that the following companies had no reviewable transactions during the POR: (1) Dongguan Sunrise Furniture Co., Ltd., Taicang Sunrise Wood Industry Co., Ltd., Taicang Fairmount Designs Furniture Co., Ltd., Meizhou Sunrise Furniture Co., Ltd.; (2) Dongguan Sunrise Furniture Co., Taicang Sunrise Wood Industry Co., Ltd., Shanghai Sunrise Furniture Co. Ltd., Fairmont Designs; (3) Eurosa (Kunshan) Co., Ltd., Eurosa Furniture Co., (PTE) Ltd.; (4) Shenyang Shining Dongxing Furniture Co., Ltd.; and (5) Yeh Brothers World Trade Inc.³⁷ However, as discussed in the No Shipment Analysis Memorandum, Commerce obtained evidence that Restonic had sales, shipments or entries of subject merchandise during the POR.³⁸

Given that the five companies above certified that they made no shipments of subject merchandise to the United States during the POR and there is no information calling these claims into question, we preliminarily determine that the companies identified above did not have any reviewable transactions during the POR. Consistent with Commerce's practice, it is not appropriate to rescind the review with respect to these companies but, rather, it is appropriate to complete the review with respect to these five companies and issue instructions to CBP based on the final results of the review.³⁹

CONCLUSION

We recommend applying the above methodology for these preliminary results.
